

Clase 14 - VM

A terminal window with a dark background and light-colored text. The window title is "ric@ricnb: ~/Desktop/DH/II/Mochila - Excedente/Contine...". The prompt is "ric@ricnb:~/Desktop/DH/II/Mochila - Excedente/Continentes\$". The command "tree" has been executed, showing a directory tree with the following structure: Africa, America (containing Brasil), Asia (containing Japón.txt), Europa (containing Italia), and Intro_parcial1. Below the tree, it says "5 directories, 3 files". The prompt is now "ric@ricnb:~/Desktop/DH/II/Mochila - Excedente/Continentes\$".

```
ric@ricnb: ~/Desktop/DH/II/Mochila - Excedente/Contine...  
ric@ricnb:~/Desktop/DH/II/Mochila - Excedente/Continentes$ tree  
.  
├── Africa  
├── America  
│   └── Brasil  
├── Asia  
│   └── Japón.txt  
├── Europa  
│   └── Italia  
└── Intro_parcial1  
  
5 directories, 3 files  
ric@ricnb:~/Desktop/DH/II/Mochila - Excedente/Continentes$
```
